- 9th Grade Arena Scheduling: April 16th- 19th
- Talent show: May 13th

Thanks to a USDA free meal waiver

The USDA has extended free meals for children through the end of the 2020-2021 school year, **or** until funding runs out.

Jordan School District will continue offering meals at no cost to all enrolled students in the cafeteria at all school locations.

No students will be charged for breakfast or lunch thanks to the USDA free meal waiver.

USDA **does not guarantee** the length of this free meal waiver. Due to the potential expiration of this waiver, **we are encouraging parents** to continue applying for free and reduced meal eligibility so that they won't experience a lapse in benefits.

Directions for completing online Free and Reduced Meal Applications through Skyward Family Access.

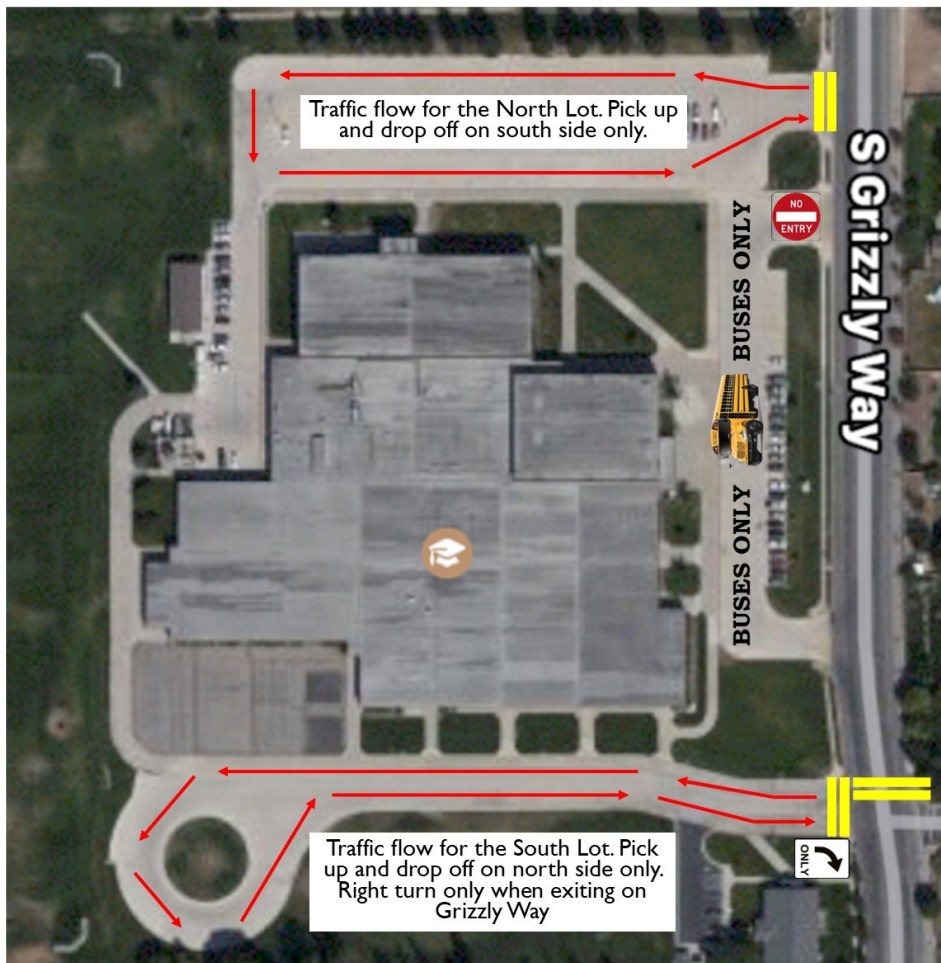

- Skyward family access is free to use and includes access to your child's account, purchased items, free and reduced application and low balance email notifications.
- Online application is not compatible on Microsoft Edge browser. Log into Family Access using the parent or guardian's login, not the students.
- Select Food Service to the left of the screen.
- On the top left side of the page, select all students and choose a student. Then, select application, select add application to start the process.
- If you are missing information or something is incorrect, it will say incomplete and will not let you select the submit button.
- Make sure to select the submit button when you finish.

Use **ONE** free and reduced price school meals application for all students in your household. Applications are available at the Jordan School District Office, at all schools, or on-line using your Skyward login.

Gradebook (Skyward)

Traffic information

As a reminder to our email, please use the North and South Side of the building to pick up and drop off students between **7:20-7:45am and 2:45-3:20pm**. If you need to come in, please park on the North side. Thank you

9th Grade Arena Scheduling

We have assisted our students with scheduling their basic classes last week. On **April 16th—19th** Arena scheduling will begin to select elective classes. There will be adults at the building to assist with this process if your student chooses. The scheduling will open at 4pm.

Rise/Aspire testing

The state has provided us the opportunity to test this year. We will be testing on **April 20-22**, with makeup test afterward. We look forward to this so we may be able to direct our instructional and schoolwide decisions.
